REMARKS: Note that answers to enclosed opinion of the Comptroller General B-99676 dated 11 January 1951 qualify our initial interpretation of the Witten rider, and on the assumption that it will not be repealed, CIA Notice 45-50 dated 5 October 1950 should probably be revised for a clear understanding of the GAO approach. This, of course, on the assumption that Notice 45-50 is still outstanding.
